📖 Compositr

A focused place to write your book, without the clutter.

Every good piece of writing is made of fragments — quotes, verses, photos, and ideas gathered over years. Compositr brings those fragments together into one finished, organized work.

WHAT'S INSIDE

Contents & Board

Organize by chapter and page, then reorder visually by dragging cards on the Board.

Quotes, Illustrations & Verses

A searchable research library — including Bible verses — tagged and ready to insert as you write.

Synced everywhere

Your work follows you across every device, saved automatically to your account.

Export anywhere

Word, PDF, Markdown, or plain text — compile exactly the pages you want, whenever you want.

30-day undo

Deleted something by mistake? Restore any page, book, or library item within 30 days.

Works on your phone

A touch-friendly layout for editing on the go, not just at a desk.
